About This Workspace

We'd take this one for the ceiling height. A six-story textile warehouse beside Leonard Circus, in the South Shoreditch conservation area, where the 2016 refurbishment changed the windows and the entrance and left the volume alone. The third floor gets the benefit: tall rooms, big windows, air conditioning so the summer is survivable, a lift so the climb is optional. Old Street is five to seven minutes on foot. Partially furnished, so there is a conversation about desks. Right for a team that wants a warehouse with a front door and the volume left in.
