About This Workspace

A front door of your own on Old Street, rather than a floor in someone else's building. Five small floors, lower ground to third, over a reception and a shower: meeting rooms and open plan on the first, a roof terrace on the second that looks south to the City, comfort cooling throughout. Old Street station is five minutes, Shoreditch High Street six, The Clove Club a short walk up the road. The plates are small and there are five of them, so the stairs do the work a lift would elsewhere. Right for a team that likes doors, a terrace and a front door on Old Street.
