About This Workspace

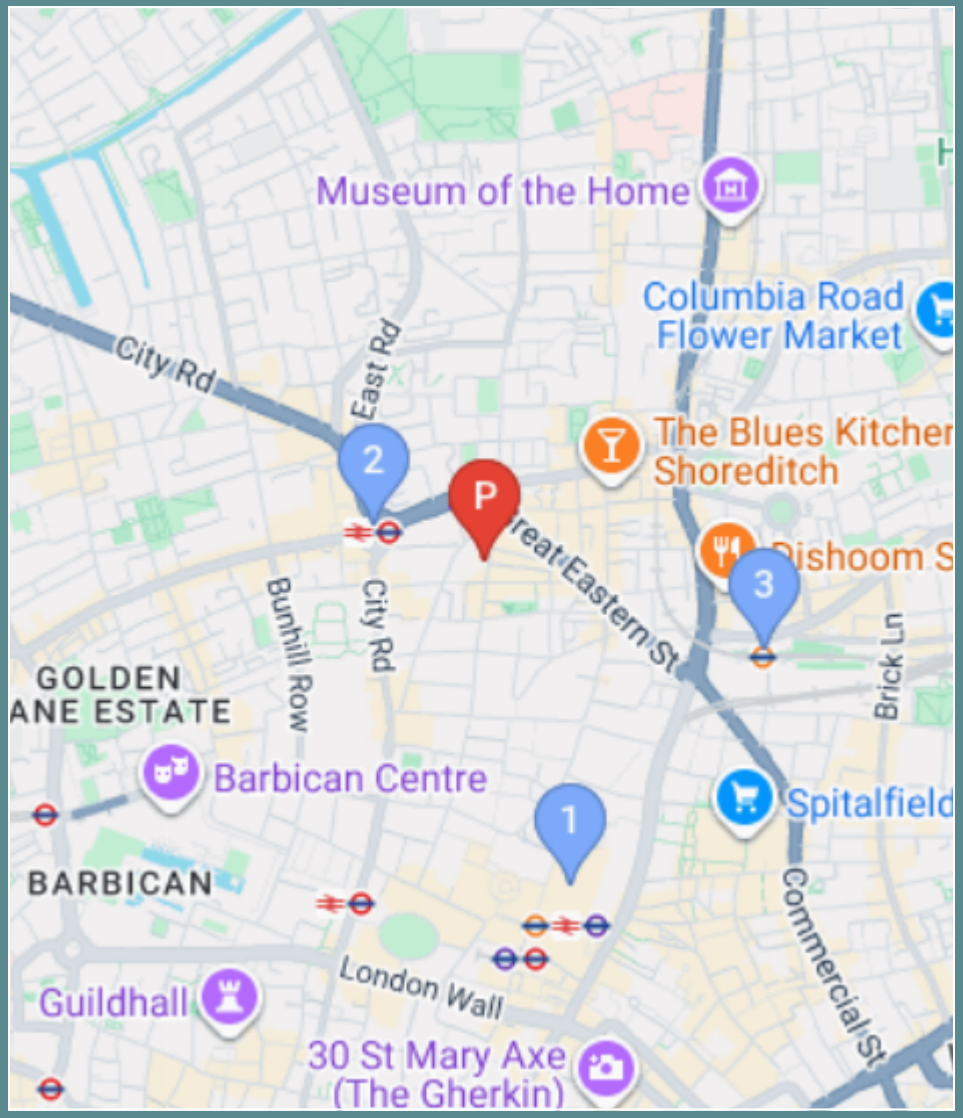

For a team that wants the warehouse without the stairs. One flight up, lift if you want it, in a six-story textile warehouse beside Leonard Circus, refurbished in 2016 with new windows, a new entrance and industrial materials that sit with the old fabric rather than hide it. Big windows, air conditioning, a shower, somewhere to put the bikes. Old Street is five to seven minutes on foot and Frontino does the coffee two minutes away. Partially furnished: you bring some of the kit, or we sort it. Right for a team that wants the warehouse and the lift.
